

Changes Come in Waves... Thankfully Jesus Walks on Them

While the church year begins in Advent, and the calendar year begins in January, for congregations with a school ministry, like Grace, the ministry year begins in August. That means that summer is not just a time for recess, it is also a time for change. There are classroom changes, staffing changes, curriculum changes, enrollment changes, schedule changes, office changes, and the list could continue. Changes tend to come in waves. After a few years of summer stability, when it made the most logistical sense to keep many things this same, this summer, the seas are choppy, and changes abound. Let me highlight a few.

Inside this issue:

Principal's Corner, Meet Andrew Frerichs, CDC Happenings & VBS Pictures	3-7
Grow Opportunities	8
Outreach Connections	9-11
Connection Groups	12-13
Saints Alive	14
Stephen Ministry	15
Announcements	16-20
Contact Info/Staff & Lay Leadership	21

Staffing Changes:

- We will add an Associate Pastor, Andrew Frerichs, to our ministry team.
- We will add three new Child Development Center teachers to our team.
- Middle School History and Technology teacher, Mr. Lanier, has accepted a position at a different school. This position, God willing, will be filled by a great teacher in Mrs. Allison Moldenhauer.

Room Changes:

- 7th Grade classroom moves to the advanced math classroom.
- 4th Grade classroom moves upstairs to the former 7th grade classroom.
- 2nd Grade classroom moves to the former 4th grade classroom
- Two Pre-K classrooms move into the annex building.
- Infant room moves to the old Resource Room.

- Pastor's office and the church office move into the former infant room.
- CDC office moves to the former church office.
- Resource room moves to the former church library.
- Church library moves to the former Pastor's office.

Additional Changes:

- Adding 35 additional students to the CDC.
- Beginning meetings with Joe Fuqua Architects for developing a Master Facility Plan.
- Beginning a Call Process for our next Principal, as Mrs. Schiestel is retiring at the end of the 2024-2025 school year.

Sometimes the waters in ministry are smooth, other times they are turbulent. Turbulence should not be viewed as necessarily negative. Oftentimes, turbulence is just a byproduct of progress. Nonetheless, the waves that are created when the seas of ministry and the seas of life are stirred by the inevitable winds of change can generate a sense of chaos within you that can feel overwhelming. Praise God that Jesus walks on water no matter the height of the waves. He has conquered our sin, He has conquered death, and His victory over our greatest enemies gives us confidence, knowing that He has power over the waves that invade our present lives as well.

In Christ,

Pastor Russ

Meet Andrew Frerichs!

Greetings in the name of our Lord Jesus Christ!

As a beginning, Hannah and I would like to thank everyone for the warm and generous welcome at the beginning of the month. It was wonderful meeting all of you, and we are so excited to be part of the family at Grace.

On June 3rd and 4th I looked at acquiring housing for myself for this coming year. I'm happy to report that I have found a studio apartment! I'll be living at Huntsville Parc. I haven't yet completely landed on a move-in date quite yet. I will continue to keep Pastor Russ and the rest of the church staff up to date as more logistical details lock into place.

Let me give a brief bio about myself. I am a third generation pastor, so I'm really creative with my career choice. My father is an LCMS pastor in Cleveland, Ohio. My grandfather was an LCMS pastor who served in the Pacific Northwest for many years. My mom is a teacher; she taught me 5th grade math (and we all lived to tell the tale). I'm the oldest of three; my sister is studying at Concordia Ann Arbor, and my brother is graduating from the University of Northern Ohio in December.

My family has moved quite a bit throughout my life, following where God has led us. It's given me an interesting perspective on God's speech to Abram in Genesis 12:1 to "go to the land that I will show you." I was born in Iowa and lived there for a whole three weeks, so my birth certificate is the only proof that I lived there. We spent several years in Klamath Falls, Oregon before moving to Portland. I fondly remember living in Oregon. High school and college were both in Austin, Texas. I graduated from Concordia University Texas in the Spring of 2020 with a Bachelor of Arts degree in Communication. I moved to St. Louis that fall to begin my M.Div. Vicarage took me down to Birmingham, where I met my fiancée, Hannah. We've been engaged since late April (right after Call Day, talk about a life-changing week), and we'll be married in May this next year. It's been quite a ride these last few years, and I'm overjoyed to share in this journey with all of you.

In my spare time, I love to run. I tried doing a marathon in St. Louis this past fall and it was more challenging than my body was ready for. I love craft coffee. The art of making coffee brings so much joy and comfort to me. I'd love to share a coffee with all of you. Cooking is another avenue where I love creating delicious things. I also love hearing and sharing stories with people; I believe truly amazing things happen when people create connections with one another.

A verse that continues to weave its way through my life is Joshua 1:9. It was my confirmation verse, and I am continually reminded of God's faithfulness and presence even when life looks confusing and uncertain. God is always fulfilling his promises to us, and it brings me so much joy to share God's promises with his people. June 30th can't come fast enough. God is doing amazing things here and I can't wait to join in God's work with you. May God continue to strengthen and bless us as we serve and follow him wherever he leads us.

Running with you in Christ,

Andrew Frerichs

CDC HAPPENINGS

June/July 2024 Edition

Summer is here and at the CDC we are still going strong... it's business as usual! We will continue on with our classes until **July 26th** before closing for 3 days to prepare for our new school year. Our new school year will begin **August 1st**. We plan to have an **AWESOME** summer full of fun in the sun! We are thankful for bright days full of activity and Jesus!

In May, the Usborne Book Fair was here! The kids loved shopping for new books, and at the end of it all we received **MANY** new books for our CDC! We celebrated Teacher Appreciation Week May 6th-10th and it was wonderful! The teachers were spoiled and they deserved every bit of it! They are so dedicated and work hard every single day to care for and teach the children! It was also Mother's Day, and the kids had lots of fun crafting gifts for their mommies. We had the event "Muffins for Mom" to honor our Grace Moms. At the end of the month, we took time to celebrate Memorial Day and remember all those who lost their lives serving our country!

Looking ahead: This summer, we will be working very hard to finish our CDC school year and prepare for the upcoming one! In the upcoming year, the CDC will be **GROWING!** We are adding about 35 new spots to the CDC and accommodating many new families from our waitlist, as well as welcoming many newborn babies. We will also be hiring 3 new full-time employees. We are so thankful for the opportunity to spread God's love to more families this year! Earlier this month we hosted the "Donuts with Dad" event to celebrate Father's Day. We appreciate all our Grace Dads! We will also join the rest of Grace in welcoming Pastor Andrew to our church, school and CDC. We are so thankful that God has provided Grace with an Associate Pastor! We will close the summer by celebrating Independence Day and doing lots of moving around to make sure everything is in place for the new CDC school year. Please continue to pray God's blessings over the CDC as we continue to carry out God's plan for our ministry!

Thanks be to God!

Jessica McGuire

Grace Gatherings Recap

Thank you so much for your support of our collection for Downtown Rescue Mission back in May. More than **50 bags** of food and other items were delivered at the beginning of June. LOCAL MISSION ENGAGE CONNECTIONS

Grace Lutheran has developed a relationship with **McDonnell Elementary School** (4010 Binderton Place, Huntsville, AL 35805). We have been advocates for the school and open to responding to needs as they are shared with us. We are still stocking their Little Library with children's books. The library has been moved nearer to the school building as it was knocked down twice recently. **We have a need for children's books, activity books, and basic school supplies.** You can support this project by contributing gently used children's books or providing such items as commercially wrapped individual snacks (examples: Cheez-It crackers, Lance sandwich crackers, Rice Krispy or granola bars). Books and school supplies along with food supplies may be placed in the chest in the church narthex. Thanks for your generous support as you respond in the love of Jesus.

First Stop encounters the homeless where they are, connects them to critical services and support, and empowers them toward independent sustainable living. So far this year, the First Stop team has successfully assisted 53 individuals from homelessness to independent, sustainable living. These are 53 people who are no longer living on the street but are sleeping in the safety and comfort of their own homes.

First Stop relies on volunteer support to provide hot meals twice a day at the temporary facility location – 2820 Governors Drive.

Volunteer Tips for providing meals:

- Meals should serve 80-100 people. Prepare food for 80 people! **3-4 servers** are needed to serve the meal.
- Provide food that is already prepared and only needs to be heated. No cooking, please.
- We serve Breakfast and Lunch, Monday through Friday. Breakfast meals are to delivered to **First Stop** by 7:45 AM and lunch meals by no later than 11:15 AM.
- Breakfast is served from 8:30 AM to 9:30 AM.
- Lunch is served from 12:00 PM to 1:00 PM.

CONNECTION GROUPS

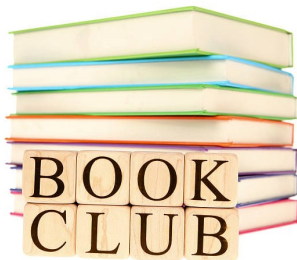

June/July 2024 Edition

ARE YOU CONNECTED?

Connection Groups (formerly called interest groups) are a means of “building bridges” to connect with others (unchurched or dechurched) in your neighborhood or our community. It’s about building a group around a similar interest (hobby, craft, fun activity, sport, or just about anything else under the sun). The goal is to help connect persons to Christ, the church, and the community. Dream the possibilities and then explore the opportunity to set up a group that meets at least on a bi-weekly basis. Of course, you can choose to take breaks in the schedule as needed for holidays/summer vacation, etc. Grace Lutheran’s vision is to grow in being passionate servants. Organizing or leading a connection group is a means of being a passionate servant. Have you ever thought that you can be instrumental in connecting others around interests as a means of serving God?

Want to start your own group? Contact Kathryn Bradshaw or the church office. Not in a group? We encourage you to join one of our existing groups.

Here is a listing of the current Connection Groups (Continued on next page)

The Christian Book Club meets in the church library at 10:00 AM on the 2nd Wednesday of each month. Our next meeting will be **Wednesday, July 10th**, and we will be discussing *Unintended Target* (the Unintended Series) by D.L. Wood. If interested in attending, contact Karen Crout or the Church Office with any questions.

*Can't come to the Book Club? Books from our reading selections are also available in the church library. When you enter the library, go to the bookcase on the opposite wall (to the left of the window). You will find the books on the bottom two shelves. There is a sign indicating that these are Book Club books. **Feel free to take any of the books!***

The Sew 'n Sews meet on Mondays from 1:00 PM - 3:00 PM in the church choir room. **Please note our summer schedule: June 24, July 8 & 22, August 5 & 19. Our weekly meetings will resume on September 9.**

We plan to make lap-sized quilts and pillowcases for a local nursing home facility, fleece quilts and hats for the homeless, and knitted hats for the cancer center.

Come and join us! Contact Harriett Kicklighter or the church office for more information.

SAINTS ALIVE

June/July 2024 Edition

Saints Alive is an adult organization within Grace Lutheran Ministries. The group is open to Grace Lutheran members and their friends. The organization hosts two activities each month on the first and third Wednesdays. These activities are designed for fellowship, education, and lunch. Some of the activities involve nearby travel using the church/school bus or by cars. Other activities are held at the church involving speakers on various topics. Descriptions of the activities are placed in the Sunday bulletin, and sign-up sheets are posted in the church narthex. All who have an interest in the various activities are encouraged to join us. Sign-up is needed by the Sunday prior to the activity.

Saints Alive Planning Meeting

On June 19th the Saints Alive visited Back Forty Beer Company to wrap up our activities for the first half of the year. There will be a **Planning Meeting** on **July 10th** at **10:00 AM** in the church library for the next half of the year. Please think about coming to the meeting with ideas for activities in north Alabama or southern Tennessee for July through December. The more ideas means the more activities from which to choose. We need lots of new ideas! Those attending the meeting will go to lunch together afterward.

Do You Have Running Water?

By Merle Trich

Water... Rivers ebb and flow, babbling brooks, raging rivers, thunderous waves. Water is needed to sustain life. Our body is made up of approximately 60% water, but some organs require more than others. For example, blood is 83% water, as it flows through all organs and carries oxygen and nutrients. The brain, heart, and lungs are 75 -79% water. All living things on Earth need water to survive, from tiny cyanobacteria to giant blue whales. Without enough water, we die.

Emotions can be like a river, from waves that overcome us and bring us to tears, to the still waters that bring peace. Water flows within us to sustain us. We have the Holy Spirit, the presence of Christ, in us to help calm our emotional seas; to cleanse us, refresh us, and renew us.

As Jesus told the woman at the well in John 4:13-14, *“Everyone who drinks of this water will be thirsty again, but those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.”* In John 7:37–38, Jesus tells us, *“If anyone thirsts, let him come to me and drink. Whoever believes in me, as the Scripture has said, ‘Out of his heart will flow rivers of living water.’”* In Revelation 7:17 we are reminded, *“For the Lamb in the midst of the throne will be their shepherd, and he will guide them to springs of living water, and God will wipe away every tear from their eyes.”*

Praise God for the running, living waters of the Holy Spirit to sustain us.

How are the “running waters” in your life? The Holy Spirit is working in all of us. However, sometimes the waters are rough in times of sickness, betrayal, death, or hardships of life.

Stephen Ministers are available to listen and pray with you through difficult times in life. A Stephen Minister will be “present” to reflect and help you connect with God’s “living waters” in your life. If you feel such a need, or you have any questions about Stephen Ministry at Grace, please contact Judy Zecher or Pastor Russ to discuss your questions or desire to be assigned a Stephen Minister.

May God strengthen our Stephen Ministers as they serve and pray for members of our congregation and the community.

During May we collected **\$23,003.91**, which brings the total collected for the campaign through the end of May to **\$101,750.30!** The more of the principal of our loan that we pay down during this period puts us in a better position to begin executing the stages of the Master Plan upon its completion. You can give online or by check with GraceLand Capital Campaign or GCC in the memo line. For those who use offering envelopes, beginning in July there are specially designated envelopes with the GraceLand logo for you to use for your donations.

Rocket City Scholarships 2024-2025 Deadline Approaching

This year **15 students** received **\$95,000.00** from Rocket City Scholarships to attend Grace Lutheran School. The Alabama Accountability Act allows for taxpayers to designate their tax dollars to be used by Scholarship Granting Organizations (SGO). Donations to a certified SGO count as taxes paid on your Alabama State Income Tax. The Alabama Accountability Act allows for **100%** of an Alabama taxpayer's state tax liability to be used to support SGOs. The deadline for making donations to be used for the 2024-2025 school year is **June 30th**.
